Summary

Experienced Web Developer adept in all stages of advanced web development and building. Knowledgeable in user interface, testing, and debugging processes. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team. I can convert the design file into web page. I create responsive website that are displayed on all devices desktops and smartphones by CSS and CSS frameworks (Bootstrap, Tailwind). Currently, I love to work on web application using technologies like React, Bootstrap and Tailwind CSS.
